CLASS CONNECTORS' REMINDER

Class Connectors is a fun way for families to build connections with each other. Every classroom should have a volunteer "Classroom Connector" – a parent/caregiver who will:

- Organize a class roster and circulate it so families may connect with each other easily.

- Occasionally act as a liaison with the School Council for their classroom.
- Plan outside school class activities such as park meetups or skate days.

This year, our program is paperless! Visit <https://mcmurrichschoolcouncil.com/class-connector> and complete the form to join your classroom roster or volunteer as a “Connector” (if you’re interested). Please complete the form (for each child) by October 28.

LOST AND FOUND

On the last Wednesday of every month, the Lost and Found will be brought outside during pickup. Leftover items will be donated afterwards. Please visit <https://www.mcmurrichschoolcouncil.com/lost-found/> to view items online.

NEXT COUNCIL MEETING

Our next meeting will be held on November 22 at 7 p.m. Watch for an email from the School Office with details closer to the meeting date.

If you have any questions, would like to contact a member, or express interest in volunteering on any of our committees (and haven’t done so already), please email: mcmurrichschoolcouncil@gmail.com.
